EDUCATION

BS Computer Science - Major in Software Technology

De La Salle University Manila

2021 - Present

Ateneo de Davao University

2008 - 2020

PROFILE

Dynamic and motivated software developer with a keen interest in the field of Artificial Intelligence. Demonstrated expertise in web development alongside a dedicated pursuit of knowledge in cutting-edge technologies. Currently enrolled as a student at De La Salle University Manila, pursuing a Bachelor of Science degree in Computer Science with a specialization in Software Technology. Possessing a strong foundation in programming coupled with a passion for innovation, I am committed to contributing to the advancement of technology through collaborative projects and continuous learning.

ACHIEVEMENTS

Impact Hackathon 2021 - Health | Grand Winner   2021

- Developed a prototype for a program utilizing object detection software for detecting different injuries and diseases.
- Developed a desktop app using Python, PyQT5, OpenCV, SQLite.

Impact Hackathon 2021 - Smart Cities | Second Runner Up   2021

- Developed a prototype for a marketplace platform for farmers utilizing machine learning technology to determine crop yield.

ORGANIZATIONS

Google Developer Students Club DLSU   AI Officer 2022-2023

- Contributed to the organization and execution of various technology-focused school events.

Peer Tutors Society DLSU   Tutor 2023 - Present

- Actively engaged in mentoring peers and junior colleagues on various computer science topics.
